## Purchase of Dresses

For Street, Afternoon and Evening Wear

# \$16.75

Kinds Worth at a Low Estimate Up to \$30

A touch of fur, or astrakhan, new bead trimmings, new style buttons and other trimmings are all marks of the latest models.

The materials are combinations in many cases, such as satin and serge, taffeta and serge, and crepe de chine. In the Evening Dresses there are satins combined with lace, charmeuse, nets and some all of lace.

The colors are the dark, rich shades suitable for afternoon and street wear. The Evening Dresses are in the light tints—light blue, mauve, white and others; also plenty of black in both afternoon and evening dresses.

Among the new models are handsome Russian tunics and full-skirted effects. Everything that is best and most in demand.

All sizes and plenty of big ones included. Kann's—Second Floor.
